

Cereal Box City

Supplies:

- Empty cereal and cracker boxes
- Acrylic paint
- Paintbrushes
- Sharpies
- Scissors
- Glue
- Tape

Instructions:

- Cut the backs off the cereal and cracker boxes, and save to use as floors, signs, and stairs inside the buildings later.
- Cut windows and doors in the buildings (easier to do before painting).
- Paint the buildings whatever colors you want.
- Cut the pieces you cut from the back of the boxes into strips to use as floors to create second floors inside your buildings, paint and decorate them. Use tape to secure them in the buildings.
- Cut strips to create stairs by folding them into accordions and taping them into place.
- Create signs and glue them into place on the front of the buildings.
- Enjoy your city!
