Jellyfish Paper Plate Project

Supplies needed:

paper plates
tissue paper
scissors
glue
hole punch
yarn
googly eyes
black marker

1. Cut or tear the tissue paper into small squares.
2. Draw a wavy line in the middle of the paper plate. Cut along that line.
3. Glue the tissue paper to the paper plate halves, making jellyfish bodies.
4. Use a hole punch to make holes along the bottom edge of each jellyfish.
5. Punch a hole at the top of each paper plate half to hang the jellyfish.
6. Cut varying lengths of yarn for jellyfish tentacles, thred them through the holes at the bottom of each jellyfish body, then tie them securely
7. Add googly eyes so your jellyfish can se, or draw eyes for them.
8. Thread yarn through the top hole in each jellyfish to hang them up.
