

Make Your Own Pet Caterpillar

Supplies

- Green construction paper
- Googly eyes
- School glue
- Pom poms
- Scissors

Instructions:

1. Draw and cut out a leaf shape from the green construction paper.
2. Glue pop poms onto the leaf next to each other in alternating colors to make your caterpillar.
3. When you have made your caterpillar as long as you wish, glue on the googly eyes to one end to make your caterpillar's face.
4. Enjoy your pet caterpillar!
